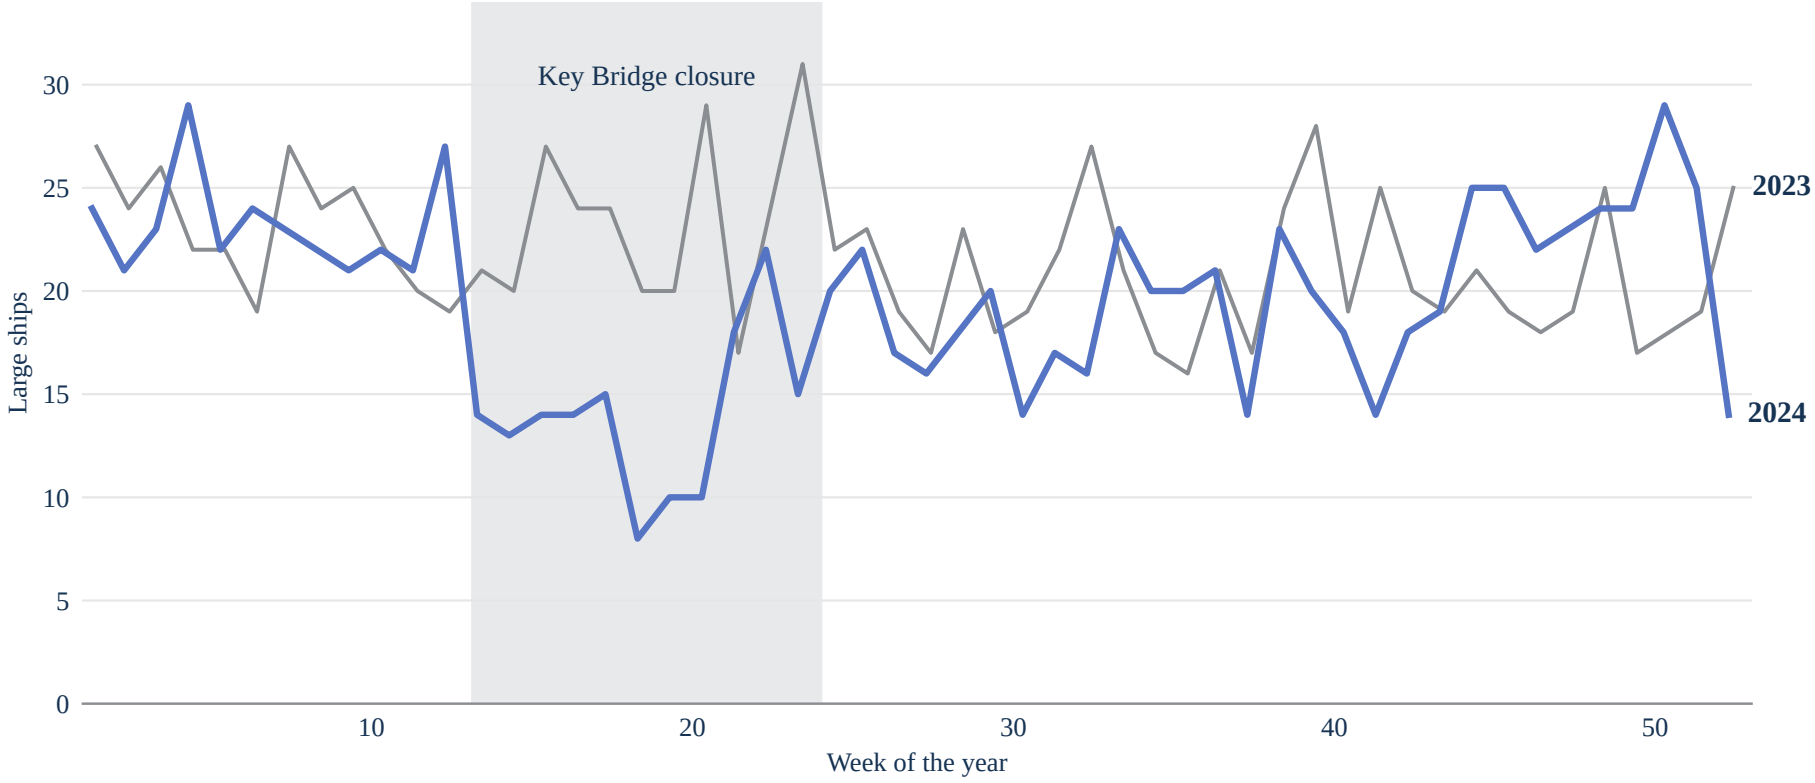
DRAFT//PRE-DECISIONAL

Large ships in Baltimore harbor fell 40% during the 2024 Key Bridge closure

Distinct large ships within 8 km of the Patapsco River harbor on each sampled Wednesday



Source: NTIA analysis of MarineCadastre AIS, 104 sampled days in 2023 and 2024; large ships = cargo, tanker, passenger, military, and other seagoing ships 100 m or longer, plus tug-barges near the coast. Closure: Fort McHenry Federal Channel, March 26 to June 10, 2024 (USACE).
